

# **GBBA FINALS DAY**

**SUNDAY 22ND MAY 2022**

Sports Academy, Hartpury Univeristy & College, GL19 3BE

# A WORD FROM THE CHAIR OF THE GBBA

The Charity Cup Competition was created in 2016 by Ian as a way of saying thank you to the team at St. Michael's Neo-Natal specialist Care Unit. The team delivered Dexter safely through an extraordinary journey and displayed copious positive energy and support to his mummy and daddy during a challenging time.

The Dexter Dawson Cup Competition acknowledges the behind the scenes work of everyone involved in Dexter's journey. From the specially equipped ambulance with its cooling cot and care team who travelled to Gloucester to collect, treat and deliver Dexter to the unit within the timescales needed to increase his chance of survival, the University research team associated with the hospital who strove to develop new treatments for better outcomes and, those who went onto monitor him, giving the eventual all clear after 12 months.

The players and officials have unwaveringly contributed to the charity competition throughout the period allowing us to contribute to a handful of other charities close to the hearts of players /officials in addition to our Cots for Tots campaign.

Dexter loves preparing the medals and trophies and making the Charity Cup Awards on the night.

We have been asked to attend the Cots for Tots House to see some of the changes we have contributed to in this area and for us to have a media opportunity with the presentation cheque showing the total amount contributed to date. This will take place during the summer months.

The total, well currently sitting at £12,000 plus with finals day, raffle and auction still to come.....

Ian and I continue to be humbled by your generosity of spirit and enthusiasm you bring to the competition.
